

In an effort to alleviate some of the traffic congestion in and around S.M.S., we are asking that parents please follow these guidelines when picking up their children:

- 1) Enter the car pool lane only from the far west entrance;
- 2) Exit the car pool lane only from the east exit;
- 3) When exiting the car pool lane, please turn right... **NO LEFT TURNS**. Part of the "backup" in the parking lot is due to vehicles attempting to turn left onto Maumelle Drive in heavy traffic;
- 4) Please do not make illegal U-turns on Maumelle Drive;
- 5) When in the car pool lane, please park as close to the right curb as possible and remain in your vehicle. This area is a marked fire lane and the vehicle cannot legally be left unattended;
- 6) When the car pool lane traffic moves, please pull forward;
- 7) Observe all crosswalks... and remember that you have to stop if the crosswalk is occupied.

No Cars
